

[illegible]

At some point I thought it would be funny to sell off the remainder of my gym membership, basically a collector would buy it and each month deposit (and replace) R165 to my bank account - the membership would probably be completely useless because they wouldn't be me, but they'd be engaging with some sort of conceptual practice, and in another sense, paying to take a burden off my hands.

WELCOME TO ZONE FITNESS CLUBS

Although contracts always contain all the terms and conditions, sometimes people tend to just glance over them. To ensure you receive only the best levels of service from us, we want to point out a few items. Please read and complete the relevant "Detail" blocks and sign in the spaces provided.

Name: Mitchell Tel no: 0933325429216

	Detail	Signature
The agreement was completed in full, without any empty block, before I signed it.		
Detail Under Information		
1 The minimum period of my membership agreement is 6, 12, 24 or 36 months?	12	
2 The monthly amount that will be deducted off my account is:	14.63	
3 When will the debit order be deducted off your bank account? The first or last business day of each month?	5	1st
4 Which date will your first debit order be deducted off your bank account?	28	28/11/16
Termination of Agreement		
5 After the expiry of the minimum period, the membership will continue on a month-to-month basis.		
6 When your membership is on a month-to-month basis, in other words, after the minimum period, you may cancel by giving 28 business days written notice.		
7 If cancelling happens, and you want to cancel before the minimum period is over, you must pay a settlement fee of 50% of the remainder of the month.		
8 No cancellations will be processed if your account is in arrears.		
Arrears of Payments		
9 If you do not pay your membership fees on due date, it is seen as a breach of contract.		
10 When this happens, the Company will re-submit my debit order(s) on a date to be decided by the Company. I agree to pay any bank charges relating to this debit order re-submission.		
11 If we do not receive payment by the time we calculate the new month's fees, we may submit a double debit order to bring your account back to normal.		
12 If your account continues to be in arrears, then the full outstanding term of your membership becomes due.		
13 Your account will then be handed over to our lawyers for collection, which will result in additional collection charges.		
14 This can negatively affect your credit record as you will be listed as a bad payer.		
Services and Facilities		
15 The consultant took me on a tour of the club and informed me of all the services and facilities offered by the club.	Yes	No
16 I will take you up on the offer of a complimentary Induction Session.	Yes	No

A Proposal

The membership itself is kind of funny too, because I got coaxed into it straight after I graduated from Michaelis, while waiting in Green Point to meet a collector. It was quite possibly the first mistake I made outside of the Michaelis environment, and like most of my mistakes, I thought about turning it into a work.
